

1.5-8 Ton Manual Mechanical Excavator Grapple

FEATURES

Our hugely popular 7 tine manual grapple, suitable for any excavator from 1.5 up to 8 tonnes. This mechanical grab is ideal for land clearance, skip sorting and general forestry work. Built with solid steel tines, this mechanical excavator grapple is supplied as a full 'ready to go' grab kit. Included is the grab itself with customer specified top brackets, connecting bar and weld on dipper plate.
